The fire caused a water pipe to burst, and the leaking water came into contact with hot surfaces in the ventilation system creating steam, which extinguished the fire.

Man jailed for damaging cars with stones and ball bearings

A WITNEY man has been jailed for eight months after a string of criminal damage incidents over four months in Hampshire.

Alec Hammerton, 43, of Fieldmere Close, and Damon Jennings, 44, of Manorfields Road in Milton Keynes, were sentenced on January 21 to eight months each for conspiracy to damage or destroy property.

Both men pleaded guilty at Winchester Crown Court on January 6 to conspiracy to commit criminal damage.

The incidents took place along the A272 between Petersfield and Winchester where stones or similar objects, such as ball bearings, were used.

Police staff investigator Karen Slade said: "This was a mindless campaign to cause criminal damage which has had a devastating effect on the community.

"Some residents felt as though they were being individually targeted as their vehicles were damaged on multiple occasions."

The 35 incidents took place between June and September last year.

Bicester cleans for the Queen

BICESTER residents, schools and businesses are being urged to take part in a nationwide litter pick to support a campaign marking the Queen's 90th birthday.

Called Clean for the Queen, the initiative has been launched by charity Keep Britain Tidy, and will culminate with a national litter pick between March 4 and 6.

Community groups including parish councils, Scouts and Brownies are being encouraged to join schools, businesses and councils to take part in voluntary clean ups of their local areas.

Bicester's MP Victoria Prentis and Cherwell District Council have backed the initiative.

Cherwell said it will loan litter pickers, high visibility jackets and waste and recycling sacks to groups.

Mrs Prentis said: "This is a great opportunity to make sure North Oxfordshire is clean and tidy in time for HM The Queen's official 90th birthday on 21 April.

"Although the big litter pick will take place over 4, 5 and 6 March, people can get involved whenever they like."

Cllr Debbie Pickford, Cherwell's lead member for clean and green, said: "We want as many people as possible to get on board and sign up for this event."

Oxford parking rates lowered

ALL-DAY rates at Oxford's Oxpens Car Park have been docked by 65 per cent in a move by Oxford City Council.

The council are now offering all-day parking permits at the car park in Oxpens Road for just £8, a sizeable reduction on the standard £23 it costs to park there on week days.

The discounted tickets must be purchased online in advance, available Monday to Friday, running from Midnight to 23.59.

The offer will run until the new Westgate Shopping Centre opens its doors in October 2017.

There are only 160 tickets up for grabs and the city council are offering them on a first-come first-serve basis.

Cllr Alex Hollingsworth, council executive board member for travel said: "The Oxpens car park is not always full during weekdays which is also when the roads are less busy, so we have the option to make this offer.

"All our other car parks are running at full capacity throughout the week, and we always encourage drivers to look at park and ride and public transport as the best alternatives for the city centre."

Parking charges will remain unchanged at the other city centre car parks.

Man accused of causing death is caught by police

A MAN accused of causing the death of a 43-year-old woman in a road traffic collision while driving uninsured and over the legal alcohol limit was caught by police on Friday after absconding from court.

David Farnell, 28, (left), of Britannia Road, Banbury, was at his address on December

15, but failed to appear regarding the charges at Oxford Crown Court on January 8.

Police issued a public appeal to trace Farnell on Thursday and he was located in Bicester the next day before appearing at Oxford Crown Court.

He was charged last November of causing death whilst driving without due care and attention, whilst over the prescribed drinking limit and for driving in an uninsured car in relation to the incident that took place on July 27 last year at Sutton Courtenay, near Abingdon, on the B4016 Drayton Road.

The collision occurred at about 3.10pm when a blue and silver Mitsubushi vehicle collided with a tree and the female passenger died at the scene.

Police issued a statement thanking the public for their help in tracing Farnell.

Apprenticeships above national average in Oxon

MORE people in Oxfordshire are choosing apprenticeships than the national average, according to figures released on Thursday.

Statistics from the Skills Funding Agency revealed that the number of people starting apprenticeships in Oxfordshire aged under 19 had increased by more than five per cent in the last year and was higher than the average for the South East, which was just over two per cent.

Between the ages of 16 to 24, 60 more apprenticeships were taken up in the county - an increase of 5.4 per cent - more than the national average. A total of 124,300 people took up apprenticeships in the whole of England last year, equating to a percentage increase of 5.2 per cent.

Oxfordshire County Council and the Government made a commitment to create more apprenticeships in the county as part of the £1.2 billion City Deal agreement in January

Melinda Tilley, cabinet member for children and education, said: "With national legislation now requiring young people to stay in some form of education or training until the age of 18, the apprenticeship option is something well worth considering."

ADVERTORIAL

The Changing Face Of Men's Wedding Attire

British wedding habits have changed rapidly during the last few years, and this evolvement continues into 2016.

- · The average wedding now costs over £16,000
- The trend for cupcakes is falling out of favour, being replaced with trends like cheese towers.
- · Purple is the most popular bridesmaids dress colour
- 18% of newlyweds now honeymoon in the UK and 34% in Europe
 These changes are also reflected in what the groom is opting to wear
 on his big day. At The Cotswold Tailor we have noticed big shifts
 in demand in both our hire department and our bespoke tailoring
 service, when it comes to wedding suits.

In 2015 we rented out not a single frock coat, and demand for morning coats fell significantly. When we did rent out a morning coat, more often than not the groom has opted to move away from traditional wedding waistcoats, and instead replaced these with tweed (see picture right).

Noticeably with both my bespoke and hire wear clients, there has been a shift towards: more tailored, three piece, slim-fit, lounge suits, particularly brighter blue shades. With many of my bespoke clients pointing out the benefits of getting frequent use out of the lounge suit post the wedding.

Possibly the biggest trend, however, has been in the rising popularity of tweed. As country/natural themed weddings have grown in popularity so too has the demand for both three piece tweed suits, but also the more relaxed look of a pair of chinos paired with tweed waistcoats and tweed jacket. (see picture right)

This look has become so popular that 2016 has seen us launch an entire new hire wear range dedicated to tweed.

WIN tickets to the unmissable London Classic Car Show CLASSIC CA

A spectacular new international classic car show took the country by storm last January – now it's back even bigger and even better than ever before. And you could be there, too, as we have five pairs of Sunday tickets to giveaway in this very special promotion.

Staged at the ultra-modern ExCeL exhibition centre in Docklands from 18-21 February 2016, the London Classic Car is the capital's biggest and best celebration of automotive history.

Crammed with innovative features, mouth-watering classic cars plus a star-studded list of celebrity visitors, the inaugural show was such a resounding success that the follow-up will be nearly twice as big.

The event's centrepiece is the 'The Grand Avenue', a central boulevard along which many iconic classics are driven. Everything from genuine Formula 1 Grand Prix racers to some of the most sought-after supercars from yesteryear take to the high-octane catwalk allowing visitors to see

and hear their favourites in action. For 2016, The Grand Avenue will be even grander with a significant increase in track distance.

Another of the eye-catching additions for 2016 is an entire new hall dedicated to prestige and performance classics with privately owned examples representing the country's 25 leading car clubs helping to create an entire show within a show. Visitors, too, will be treated to period entertainment to continue the hall's retro vibe.

Most Oxfordshire businesses gave pay rises – But many thought salaries were still uncompetitive

One-quarter of the Oxfordshire-based employers who took part in a recent survey are unsure whether their salaries are competitive enough, according to a new report.

The annual Oxfordshire Salary Survey run by the county's leading independent recruitment consultancy, Allen Associates, has revealed that 25% of employers are unsure whether their wages are in five, said they didn't think they were.

However, almost all respondents awarded pay rises to their staff in 2015, with over three-quarters (77%) increasing salaries across the business and a further 18% giving pay rises in certain areas or to selected individuals. Typically, these were in the region of 2% to 4% - and for one-quarter of businesses, this represented a bigger pay rise than may not be everything, it can often make in the previous year.

Kate Allen, Managing Director at Allen Associates, said: "While over half the businesses responding to our latest salary survey were confident that their salaries were set at the right level, it's concerning that 43% were unsure or believed they were uncompetitive, first choice. despite awarding pay rises.

"Demand for the brightest and most talented people is at the highest level we've seen for years - and there is every indication that it will rise further in 2016 as employers continue to want to resource their growth or take their business in new directions. At the very least and as a starting point, job seekers will be looking for a competitive salary."

The report also revealed that busisufficiently competitive while almost one nesses were divided over whether employees placed greater value on working environment and culture - or salary. Working environment and culture came out on top with 38% saying they thought staff valued this most, slightly above salary (35%) and softer benefits, such as extra holidays, working from home and flexible hours (27%).

> Kate Allen continued: "While salary all the difference to candidates who are weighing up their options. We are increasingly seeing good candidates with more than one job offer to choose from, so at the very least, employers must offer competitive remuneration packages if they want to attract their

businesses recognise that they need to consider a wide range of factors, including salary, when targeting today's discerning workforce. By far the greatest number of job applicants are the so-called millennials born in the 1980s and 90s, who look for different qualities in their employers when compared to previous generations. They want to earn well but they also place great value on a business's workplace culture and conditions, environmental credentials, reputation and corporate social responsibility to name a few, so it's imperative that these are as attractive as possible.

"There is a lot for employers to think about and our research indicates that many are working hard to get it right and to stay one step ahead of the game. With such a fast-paced recruitment market, employers will need to move with the times and continue to invest in modernday practices, training and professional development to retain and attract the best candidates," added Mrs Allen.

Allen Associates' Oxfordshire Salary Survey looked at salary and benefits data for 1,316 staff provided by 61 employers. For more information on this "Fortunately most forward-looking survey or to obtain a copy of the report,

FULL AND PART-TIME COACH DRIVERS REQUIRED

Tappins Coaches has undergone a major transformation over the last 3 years. Our fleet replacement programme is almost complete, with a further 24 new vehicles currently in the course of delivery As a result we are looking to strengthen our Didcot-based driving team.

We are looking for experienced, smart, flexible, and customer-focused professionals. Our work includes home-to-school transport, rail replacement, express service, corporate charter and multi-day touring, both in the UK and mainland Europe. Oxford star commits to U's

OXFORD United Women have secured highly-rated midfielder Ella Franklin-Fraiture to the squad for the upcoming season.

The 18-year-old has been with United since she was 10 and is described by the club as a 'hard-working, skilful player who enjoys taking people on' after her new one-year deal was confirmed by the club on Monday.

Franklin-Fraiture has been a regular with the first team since she was 16 and made 19 appearances for the squad in last season's campaign.

Her manager Les Taylor said: "Ella is a tremendous product for the future, having only just turned 18.

"She is an exciting midfield player who likes to create and get forward. She is a player who I think will be very important to the team for this coming season."

Franklin-Fraiture said: "I am very happy to have been offered a contact for the coming season and can't wait to continue growing as both a team and a player.

"I feel very grateful to have been given the opportunity to play with the first team at a young age, which was my ultimate goal."

She joins Sophie Baker, 19, who signed a new deal with the club last week, in agreeing new terms for the season.

Motocross prodigy handed award in lavish ceremony

A SUTTON Courtenay motocross biker picked up his prestigious motocross championship award at a lavish ceremony in Birmingham on Saturday night.

Independent biker, Cody Ling, 21 picked up the ACU British Clubman Motorcross Championship trophy at a ceremony at the National Motorcycle Museums in Birmingham after dominating the championship.

Ling has been racing since he was seven years old, accumulating 107 trophies in motorcross, with the sport taking up around 30 weekends of his year.

His performance in the Route 77 national championship was enhanced by the fact that he led the way from the 2nd round to the final sixth round racing on a KTM 250F bike in August whilst his 39 other competitors were riding on 350f's and 450f's.

Ling ended up winning the championship and it was only in October last year when his mum, Jacqui Ling, from Sutton Courtenay, 49 found out the news he'd also won the clubman's trophy.

She said: "Every year, Cody has gone up through the ranks, facing off against sponsorship-backed riders and he has done so well.

"We could not be more proud of him, he's just such a talent and these awards shows how good he is at the sport. He just loves to ride."

Blues to move to Abingdon this season

OXFORD Rugby League club are set to play games in Tilsley Park in Abingdon this season, ending their three-year stay at Iffley Road, it's been confirmed.

The decision follows months of planning with the club making the announcement on Saturday after the move was given the seal of approval by the RFL.

Club CEO Adrian Smith paid tribute to the club's old ground in a statement stating there is 'a touch of sadness' about the move.

He said: "Iffley Road has been terrific in establishing Oxford RL and gaining the envy of many a club with its wonderful pitch and pavilion and there is a touch of sadness about moving.

"The feeling of excitement about Tilsley is huge and the prospect and potential for growth in Abingdon is there to build upon.

"Tilsley offers a new dynamic playing and training on the state of the art 4G pitch, which will be great for the squad."

The 4G pitch is scheduled to be completed at the park in mid-March so the first couple of home games of the season will take place at Iffley Road.

Team manager, Steve Jones said: "I truly believe the club, Abingdon and Tilsley Park together will make a great partnership, it's a brilliant opportunity for all concerned."
